Hazardous Materials

The District will follow procedures outlined below in order to comply with the Asbestos Hazard Emergency Response Act of 1986 (AHERA):

- 1. Contract with accredited/certified agencies to conduct inspections of school buildings for asbestos-containing materials.
- 2. Follow recommended procedures to control the release of asbestos fibers upon completion of asbestos inspections.
- 3. Develop a management plan which lists corrective steps and long-range maintenance of asbestos control procedures. This report shall be made available to the public and filed with appropriate state agencies.
- 4. Post warnings on all areas containing asbestos and notify students, parents, and employees regarding the afflicted areas.
